**Message/Directions**

- Choose your classes wisely after thoughtful consideration. Sign and date all forms.
- Share this information with your parents and include them in the decision-making process.
- Print clearly to avoid errors. Complete the entire form.
- Choose your electives in priority order. Your Academy Course is your first choice; the second request is your second choice, etc. It is important that you fill in all the requests. We will try to honor your first two choices.
- Do your best on the ELA and End-of-Course Exams. The results will impact your placement in core classes and determine your ability to have more elective courses. Students who score a Level 1 or 2 on the FAST Reading or Math exams will need to take Intensive Reading and/or Intensive Math.
