VISUAL ARTS
MAGNET

the **R.A.W.** project

Visual Arts more important than ever!

For years, the Wynwood neighborhood in Miami has seen a renaissance in arts and culture. In order to provide students a rich experience in the visual arts in Wynwood, Jose de Diego Middle School, a Miami-Dade County Public School, has entered into a partnership with WynwoodMap.com to bring together a coalition of non-profits, organizations, corporate partners, businesses, city agencies, and visual artists to form the R.A.W. Project (Reimagining the Arts in Wynwood).

The Visual Arts Magnet offers a rigorous investigation into art and design materials, techniques, and ideas. Whether their interests are in drawing, painting, fashion, digital design, animation, architecture, or sculpture, our courses are designed to broaden students' education so they can be successful creative thinkers and artists in high school and beyond.

“Visual Arts cultivate thinking, innovation, and collaboration.”

- Bette Fetter

Molding Their Future

Jose de Diego Middle School's building serves as a canvas for murals created by both local and international artists. The Visual Arts Magnet is an art experience for all students. Students not only serve as agents for continuing the visual arts in Wynwood but also benefit from exposure in the several of the following areas:

- 2D Art
- Residency program(s) with local artists
- Professional opportunities with Art Galleries
- Photography
- Art History
- Curation
- Portfolio Preparation
- 3D Art

Promoting critical & creative thinking

“You can't use up creativity. The more you use, the more you have.”

- Maya Angelou

“Painting is just another way of keeping a diary.”

- Pablo Picasso
